

REMARKS

The Examiner has indicated that claims 1-5, all of the claims in the application, contain allowable material. However, the Examiner has objected to claims 1 and 2 on formal grounds. In particular, the Examiner has objected to claims 1 and 2 as being indefinite insofar as the claims lack antecedent basis for some of the terms.

Accordingly, claims 1 and 2 have been rewritten and are resubmitted herewith as respective claims 6 and 7. Claims 3-5 each depend from claim 6. In addition, claim 6 and 7 have been placed in idiomatic English for ease of reading. It is submitted that claims 6 and 7 are no longer objectionable on the stated grounds.

In light of the above, it is submitted that all of the claims are presently allowable and their allowance is respectfully requested.

Respectfully submitted,
